## 6. Formal obligation

Eligible applicants and recipients (private persons, legal persons, organizations, institutions etc.), in the following abbreviated as A/R, commit to use any granted funds only for the designated purpose. Moreover, A/Rs agree to timely submit the report of expenditure of the funds to the Federal State Government of Salzburg according to their requirements and to deliver any other required interim billings and reports.

If either the report of expenditure is not submitted, the supported activity or project is not carried out or the granted funds are not used for the designated purpose, all A/Rs commit to immediately refund all received subsidies. If the granted subsidies have not been used partly or entirely due to an achieved surplus of income or profit in the corresponding year or at the time of balance, the support authority separately decides on possible cuts or refunds.

Besides that, all A/Rs confirm that the project requiring support (provided that all shooting locations are located within the State) is not submitted for funding in any other Federal State than the State of Salzburg - except for projects involving more than one federal States.

Besides that, all A/Rs agree that the public support authorities the project has been submitted to can exchange information on different aspects of the project in question (e.g. financing, reasons for rejection, project costs, shooting, etc.).

All A/Rs are obliged to put one free copy\* of the film document subsidized by the State of Salzburg together with all documents relevant to the film (screenplay, list of crew and cast, posters etc.) each at the disposal of the Film Archive Austria as well as the support authority of the State of Salzburg. If required, the A/Rs agree to appropriately indicate (e.g. by means of a press conference or film premiere) any subsidies granted by the State of Salzburg.

All A/Rs note that the State of Salzburg does not take any liability for submitted documents.

### Data Protection Regulation:

The personal data included in the grant application form will be processed for the purpose of preparing, handling and finalizing the funding agreement with the applicant or recipient. Personal data will be stored and processed until finalization of the agreement, with the utmost care and only for a specific amount of time. The storage period will end with the fulfillment of the funding contract or will be defined by legal requirements or legal claims. The duration follows specific legal regulations and lawful purposes only. Any personal data will not be passed on to third parties or shared with others, only if necessary for legal fulfillment related with the funding agreement (e.g. transfer report). For more information about the Data Protection Regulation and the Rights of the individual see the website of the federal state of Salzburg at: [www.salzburg.gv.at/datenschutz](http://www.salzburg.gv.at/datenschutz)
